**Two year contract for Office Supplies as needed for all Jefferson Parish Departments.**

Vendors **must** bid on all core items and percent off category items.

**Core List:**

If the vendor is bidding on name brands other than specified within the line item descriptions, vendor **must** list their manufacturer and part number for each of the line items they are bidding as an equal and include specifications with bid submission. **Failure to do so will result in bid rejection.**

**Note: If bid submission does not indicate the bidder is bidding other than specified, the bid will be evaluated that the exact brand and part number is being bid on.**

Successful bidder during the life of contract may substitute items but only may do so with Purchasing's prior approval. Jefferson Parish requires that all brand names be listed on final contract. Bid evaluation will be based on this section of the bid solicitation.

**Categories and Respective Discounts:**

While bid evaluation will be based on the core list, vendors **must** submit bids on the Category Discounts line items 147, 148, 149 and 150 with corresponding discount percent off. Percentage off **must** be included with bid submission. **Failure to do so will result in bid rejection.**

**Online Orders:**

Vendors must be able to accept online orders. The Purchasing Department reserves the right to supply the successful vendor with purchase order numbers in lieu of hard copies (or e-copies of purchase orders).

**Delivery:**

This is a requirements contract, which means the contract can be used by Jefferson Parish Government departments and branches of government for which we coordinate purchases. Delivery is required to various locations on an as needed basis. Each purchase order will indicate the delivery address for that order. Delivery of each contract order will be required within one week after receipt of the order.

**Invoices:**

The successful vendor must invoice individual departments. On all invoices for items ordered under the Category Discounts, the vendor must show list price, applied discount to equal the final price.

**Freight:**

Freight charges should be included in the cost of items; if not then freight must be indicated that it will be added to each delivery/invoice. Freight charges should be estimated on your bid response for tabulation purposes, example freight is estimated as \$5.00 per order. If freight is not noted then your bid is tabulated and accepted as freight included in your line item bid price. Vendors are not allowed to add freight after the fact to the bid response or contract.

**Reports:**

Upon contract expiration and at the request of Jefferson Parish the successful bidder shall provide usage reports which will include use/quantities ordered of each respective item listed on this contract, sorted by same, including those items purchased under the Category Discounts. Such reports shall also include data on those substituted products deemed as approved but functionally equivalent by the Purchasing Department.

All required insurance under this bid shall conform to Jefferson Parish Resolution No. 113646 or No. 113647, as applicable. Contractors may not commence any work under any ensuing contract unless and until all required insurance and associated evidentiary requirements thereto have been met, along with any additional specifications contained in the **Invitation to Bid**. Except as where otherwise precluded by law, the Parish Attorney or his designee, with the concurrence of the Director of Risk Management or his designee, may agree on a case-by-case basis, to deviate from Jefferson Parish's standard insurance requirements, as provided in this Section.
